Dear Mr. Joseph,

In accordance with California Water Code Section 10727.8, 353.6, the Madera County Chowchilla Subbasin Groundwater Sustainability Agency hereby gives notice that it will begin the development of a Groundwater Sustainability Plan (GSP) in cooperation with other Groundwater Sustainability Agencies (GSA) within the Chowchilla Subbasin.

The public may participate in the GSP planning process by attending GSA meetings, held as necessary in conjunction with the regularly scheduled Madera County Board of Supervisors hearings. The meetings are held at the Madera County Administration Building at 200 W. Fourth Street, Madera, CA 93637. Additionally, information on SGMA and the GSP process will be available on the SGMA website at [www.maderacountywater.com](http://www.maderacountywater.com).
